

## Jacksonport Park Request

Apr 17, 2016

Jacksonport Park request for donations and letters of support

The Town of Jacksonport is accepting donations from individuals toward the "matching funds" needed for their Knowles Nelson grant application, due May 1, to improve the park based on the conceptual plan created last summer. Here are the top priorities:

- Modern Restrooms & Changing room
- Landscaping including paths, added parking, grading and seeding, screening from the neighbors, signs . . .
- A storage building to replace the two deteriorating garages

To donate, write a check to Town of Jacksonport and put in the memo area Lakeside Park Development. Mail it to Elissa, Taylor Town Clerk, 3365 County V, Sturgeon Bay, WI 54235.

The town also is requesting a letter from individuals expressing support for the project and grant. For more information, including a sample letter please visit the Town website, [www.jacksonport.org](http://www.jacksonport.org).
