

# Clark Lake Cottage History Form

We are putting together Clark Lake History Folder and need your help !  
Whether your place is old or new, year-round or a weekend getaway, we'd like to include it in the *Clark Lake History*. If you can take the time to fill out the following information and at least one photo, you'll be in the History Folder! And if you would pass along copies of this to your neighbors on the lake-----maybe we'll get this history published and available in our lifetimes!
