

Town Budget Meetings

Nov 11, 2016

The towns of Jacksonport and Sevastopol will be holding their annual town budget meetings soon. All electors are encouraged to visit the town websites to become familiar with the issues and attend and vote in this democratic process at the town hall.

At the Jacksonport meeting we anticipate a motion from the floor recommending the town of Jacksonport re-negotiate their agreement with Sevastopol concerning both the west side boat ramp and the dam. CLAA supports having equal representation between Jacksonport and Sevastopol for any decision concerning operation, maintenance and capital improvements at the dam and west side boat ramp.

At the Sevastopol meeting we anticipate a motion from the floor to include funding in the budget to cover the expenses for personnel required to maintain the dam including cleaning of debris to enable the township to comply with the DNR permit for the dam. CLAA supports this proposal.

If you are an elector in either township please reply to this notice if you are willing to make/ second either motion or if you are willing to support and vote for either.

Meeting schedule

Jacksonport 15 November 7PM

Sevastopol 28 November 6PM
