

Fish Sticks Volunteers Needed

Jan 16, 2017

Please consider volunteering to help with the tree cutting and fish sticks installation. Dates include 1/28, 2/4 and 2/11. Refreshments will be provided. We hope to complete the work on 2/4 with 2/11 is a backup date but would like volunteer commitments in case it is needed.

Send your contact info, date and times available to Pat Canney at pcanney@sbcglobal.net.

Pat will evaluate our needs and contact the volunteers to indicate work times, other needs, etc.
