

## Annual Meeting Report

Jul 15, 2016

### Annual meeting report:

At the annual meeting on 7/9/16 we elected two new board members. Please welcome Jim Peterson and Heather Smith. They are replacing two members, Bill Hebal and Tom Olson, who deserve many thanks for their years of service.

Dues were increased to \$25 and the annual budget was approved with a decrease in special projects expenditure to \$1000 per year.

The power point presentation about our current projects is on the website.

Our membership is approaching an all-time high and attendance at the picnic grew to 132.

Thanks to each and every member for supporting CLAA and contributing to the health of our lake and its community.
