

CLAA Lake Safety and Maintenance

Thank you to many who have volunteered over the years to help with buoy placement, repairs, and retrieval, with special thanks to Steve Vieau and Joseph Graboyes (members), and Jerry McGlynn (volunteer) for their continued support.

Buoys

- **4 NO MOTOR buoys (no gas or electric engines) in the North End**
- **5 NO WAKE buoys in the East Bay (2 are missing)**
- **2 - 200 ft marker buoys 1 each at the West and East Boat Ramps**
- **CLAA is in the process of purchasing 2 new buoys a year including this year to replace damaged ones.**

Preserve our Lake and Boat Access

- **Please absolutely no power loading at the West Boat Ramp**
- **Please keep the ramp area clear so that others can launch their boats more quickly.**
