

# **Attention CLAA members and residents who live around the lake**

**We need you to attend and speak out at your town's Annual Meeting – your elected Town Supervisors are listening. If you have a concern about artificially-enhanced wake boating on Clark Lake, please attend this open meeting! Anyone in their respective towns can make a public comment on any topic for up to 3 minutes. Testimonials are particularly valuable. As a courtesy to all, please be brief.**

**Spread the word to other residents who enjoy fishing, boating, paddling, and the quiet beauty of Clark Lake.**

**"Questions? contact Gwenn Graboyes at [gwenn.graboyes@gmail.com](mailto:gwenn.graboyes@gmail.com) or any of the CLAA Board members"**
