

### Bay Shore Properties Owners Association

At **Lakes Gas**, we pride ourselves on being a long-standing, local provider with exceptional delivery and service capabilities. Our top priority is ensuring our customers **never run out of propane**. We guarantee **personal, local service**—no call centers—so when you call, you will speak directly with **Danelle, Amber, or myself**. On weekends, our **local drivers or techs** answer the after-hours line, not someone out-of-state.

#### **What Sets Us Apart:**

- Local, direct customer support.
- Commitment to reliable deliveries and customer safety.
- Real-time local support from the same professionals who service your tanks.
- Up to six gas trucks deliver all winter long for you, our customers.

#### **Our Offer for Your Association:**

- **2- Year Contract:** \$1.699/per gallon
- **No tank rent or delivery fees**
- **Free Leased Tank Swap:** Pump existing gas into Lakes Gas tank
- \*If LP system needs updating- will provide estimate for repair @ \$135/hr labor
- **Customer-Owned Tank Inspection:** Waived
- All accounts begin on a **Will Call** basis (call at 30% tank level)

#### **Tank Monitoring: Waived**

- If Auto delivery is requested Monitor Service is required
- Daily remote tank level tracking
- We dispatch a delivery ticket at 30%
- Ideal for seasonal users or those who prefer not to monitor tank levels
- Reduces risk of unnecessary fills and helps manage costs

Thank you for considering Lakes Gas—we're excited about the opportunity to serve your group. Please reach out with any questions!
